

2005 North Carolina General Statutes

Amended NCGS 114-19.14

In order for a county manager or administrator to take advantage of this law, they must contact the Criminal Information and Identification Section at (919) 662-4509 extension 6332 or 6366. The county must request an access agreement packet for the purpose of doing criminal history record checks on county government applicants. This general statute gives access to national criminal history record checks utilizing a fingerprint card search.

This law also gives access to municipalities (city and town) for national criminal history record checks.

Amended NCGS 122C-80(b), NCGS 131D-40(a) and (a1), NCGS 131D-40(a) and (a1)

This access is for long-term care agencies and their contracted agencies. Please contact the Criminal Information and Identification Section at (919) 662-4509 extension 6332 or 6366 for an access agreement packet. Note: Under this law, the criminal history record responses from the background checks will be sent to the Division of Health and Human Services, CRC Unit.

NCGS 114-19.16, NCGS 18C-114

This law gives the North Carolina State Lottery Commission the ability to request criminal history background checks on lottery employees, retailers, or contractors, and the Director.
